

Level 3 Insurance Practitioner.

CII Certificate IF pathway

This programme will develop your professional skills and workplace performance as an insurance practitioner. Learning and assessment methods have been contextualised in modern industry, so learning is directed towards not only achieving professional recognition, but also improving performance on the job in a measurable way. You'll learn how to build professional relationships within the context of insurance and regulatory frameworks, while developing transferable skills across the financial services industry that offers flexibility to support your future career.

To apply for this programme you must be employed in a relevant role, and, as a minimum requirement, have:

- Five GCSEs with grades 9 to 4 (A* to C), including English and maths, or equivalent, or
- Relevant work experience

Typical roles include: Junior Insurance Brokers, Insurance Underwriting Assistants and Insurance Claims Handlers/ Junior Loss Adjusters.

18-month programme (inc. EPA)

Apprenticeship standard

 Insurance Practitioner

Qualification achieved

 CII Certificate in Insurance (IF1, IF2 and a choice of IF3/IF4/IF10)

Structure and commitment

 **Module delivery: Online live**

Three modules delivered via online live lectures (*two hours per week*)

 **Coaching: Online**

Performance Coaches to push you further, with monthly sessions to review your progress, give constructive feedback, support your studies and identify new challenges and opportunities (*one hour*)

 **Guided self-study: Online on-demand**

Our Virtual Learning Platform provides you with 24/7 access to your materials, specialist insights and extra study support from wherever you are (*two or three hours per week*)

 **Work based projects**

Show day-one impact by completing workplace projects with new skills and knowledge that also count towards your portfolio of evidence for the End Point Assessment (EPA)

Additional benefits
