

# Level 3 Compliance and Risk Officer.

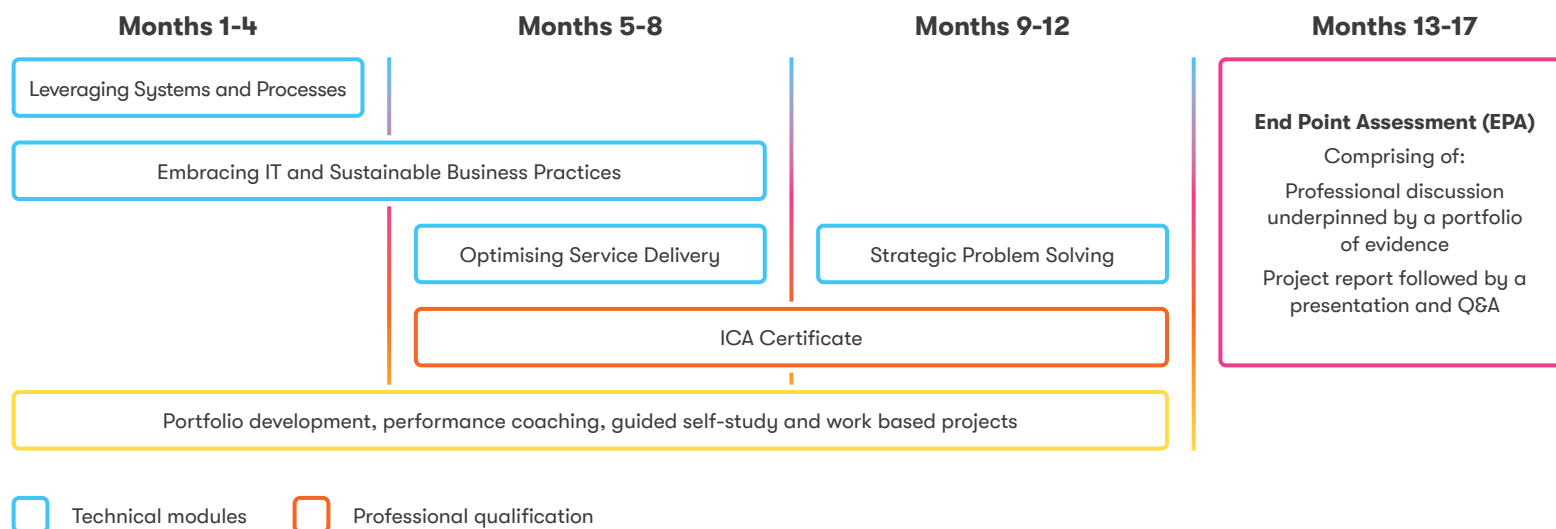

## ICA Certificate level pathway

Through this programme you'll build sound ethical standards, together with strong communication, influencing, analysis and problem-solving skills. You'll develop underpinning knowledge of risk and compliance frameworks, policies and procedures, and be actively applying these in your day-to-day role. If you work in this area you need to demonstrate acute levels of knowledge, skills and expertise to be effective in your organisation and keep pace with a fast-changing environment.

To apply for this programme you must be employed in a relevant role, and, as a minimum requirement, have:

- Five GCSEs with grades 9 to 4 (A\* to C), including English and maths, or equivalent, or
- Relevant work experience

## 17-month programme (inc. EPA)

## Apprenticeship standard

Compliance and Risk Officer

## Qualification achieved

International Compliance Association (ICA) Certificate

## Structure and commitment

**Module delivery: Online live**

Four modules comprising of three online live lectures per module (*approx. two hours each*). Plus online live ICA lectures

**Coaching: Online**

Performance Coaches to push you further, with six-weekly sessions to review your progress, give constructive feedback, support your studies and identify new challenges and opportunities (*one hour*)

**Guided self-study: Online on-demand**

Our Virtual Learning Platform provides you with 24/7 access to your materials, specialist insights and extra study support from wherever you are

**Work based projects**

Show day-one impact by completing workplace projects with new skills and knowledge that also count towards your portfolio of evidence for the End Point Assessment (EPA)

## Additional benefits

- Our programmes are designed in collaboration with top employers and industry leaders, ensuring that your learning makes an immediate impact
- Tutors bring their industry experience to your training to ensure you've got the practical skills that enhance your performance from day one
- Progression pathways to take you from entry level to industry specialist
- BPP Community: join the online community for exclusive mentoring and networking opportunities, and make social connections with your fellow learners

# Level 3 Compliance and Risk Officer.
