

Level 6 Senior Compliance and Risk Specialist.

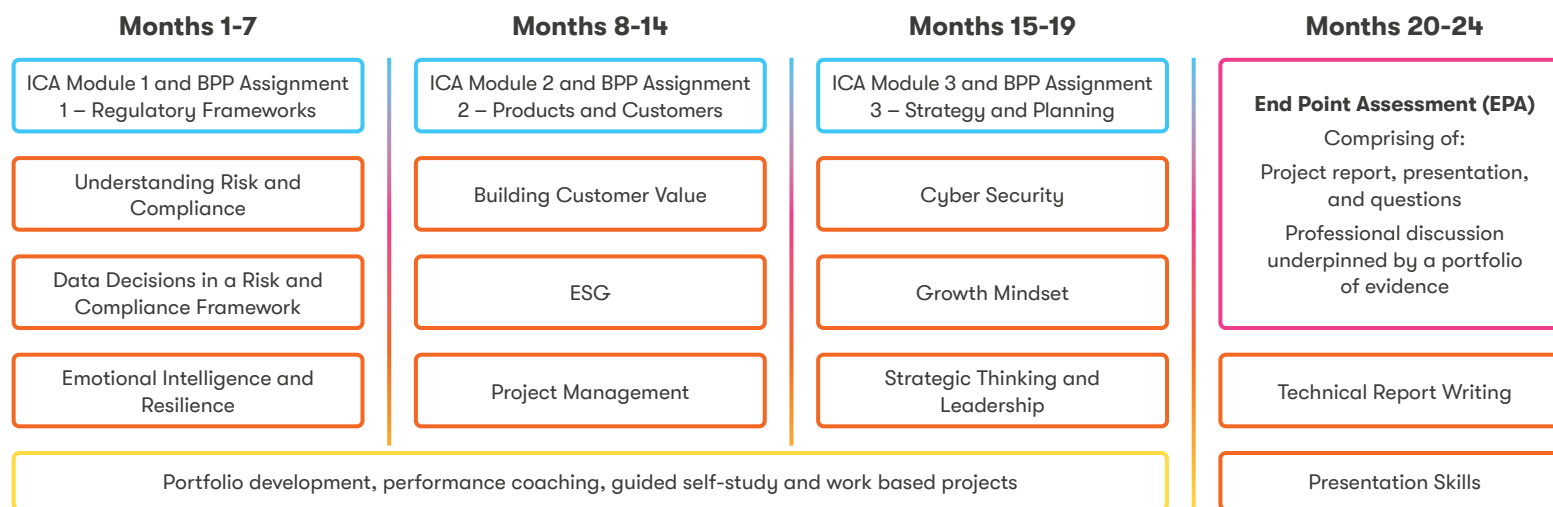

The risk and compliance function within an organisation provides high quality input and advice to the business in their specialist areas, such as financial crime, risk, compliance and data analysis. This programme gives senior compliance and risk professionals a strong grounding in complex regulatory and legal knowledge, as well as the skills and behaviours to take on leadership and team management roles in the future.

Choose from three pathways: Anti-Money Laundering, Financial Crime Prevention or Governance, Risk and Compliance.

To apply for this programme you must be employed in a relevant role within a regulated environment, and a minimum requirement have:

- A degree or professional qualification in a relevant subject, or
- ICA Advanced Certificate in Compliance (International or UK), or
- Three years' relevant work experience

24-month programme (inc. EPA)
