

# Level 3 Paralegal.

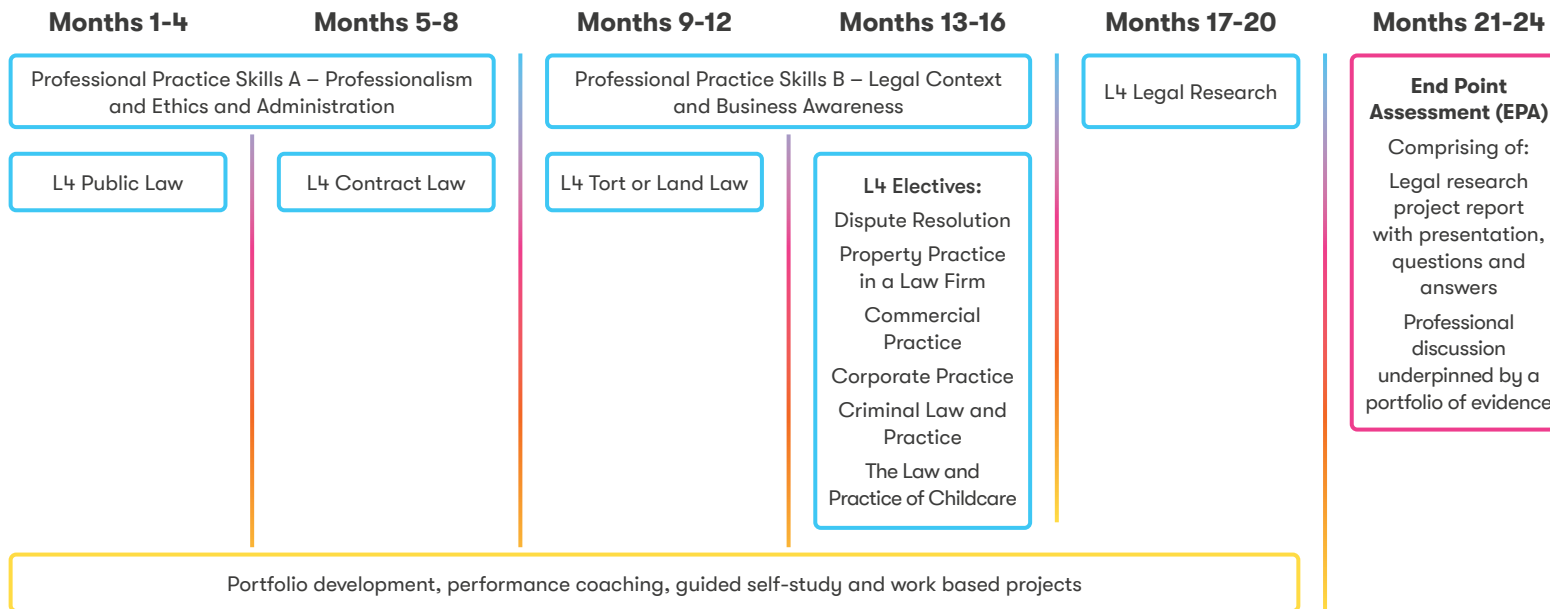

The Level 3 Paralegal Apprenticeship is designed to equip you to work competently within the ethical and regulatory framework required for practice as a paralegal. You'll develop problem solving skills and sound working practices, including the ability to establish and maintain effective professional relationships and to plan, prioritise and manage your work. The programme is designed to build technical skills and expertise, including legal research, drafting documents, communicating clearly, both orally and in writing, and analysing and assessing information. You'll also gain sufficient knowledge of one area of legal practice to enable you to conduct relevant paralegal work under supervision.

To apply for this programme you must be employed in a relevant role, and, as a minimum requirement, have:

- Three A-Levels equivalent to 96 UCAS points
- Five GCSEs with grades 9 to 4 (A\* to C), including English and maths, plus any additional employer requirements
- We will accept other qualifications and UCAS points at our discretion

A copy of our full client guide to eligibility is available on request.

## 24-month programme (inc. EPA)

## Apprenticeship standard

## Qualification achieved

## Structure and commitment

Three law modules, plus one elective practice module, delivered weekly via online live professional workshops (two hours per week). Plus, three skills modules supported via online live professional workshops at the start of term (two hours per term) and performance coaching

Performance Coaches to push you further, with a session every term to review your progress, give constructive feedback, support your studies and identify new challenges and opportunities (one hour)

Our Virtual Learning Platform provides you with 24/7 access to your materials, specialist insights and extra study support from wherever you are. Undertake realistic legal scenarios in a virtual practice environment to contextualise and apply your knowledge (four hours per week)

Show day-one impact by completing workplace projects with new skills and knowledge that also count towards your portfolio of evidence for the End Point Assessment (EPA)
