

Level 3 Insurance Practitioner.

CII Certificate IF pathway

This programme will develop your professional skills and workplace performance as an insurance practitioner. Learning and assessment methods have been contextualised in modern industry, so learning is directed towards not only achieving professional recognition, but also improving performance on the job in a measurable way. You'll learn how to build professional relationships within the context of insurance and regulatory frameworks, while developing transferable skills across the financial services industry that offers flexibility to support your future career.

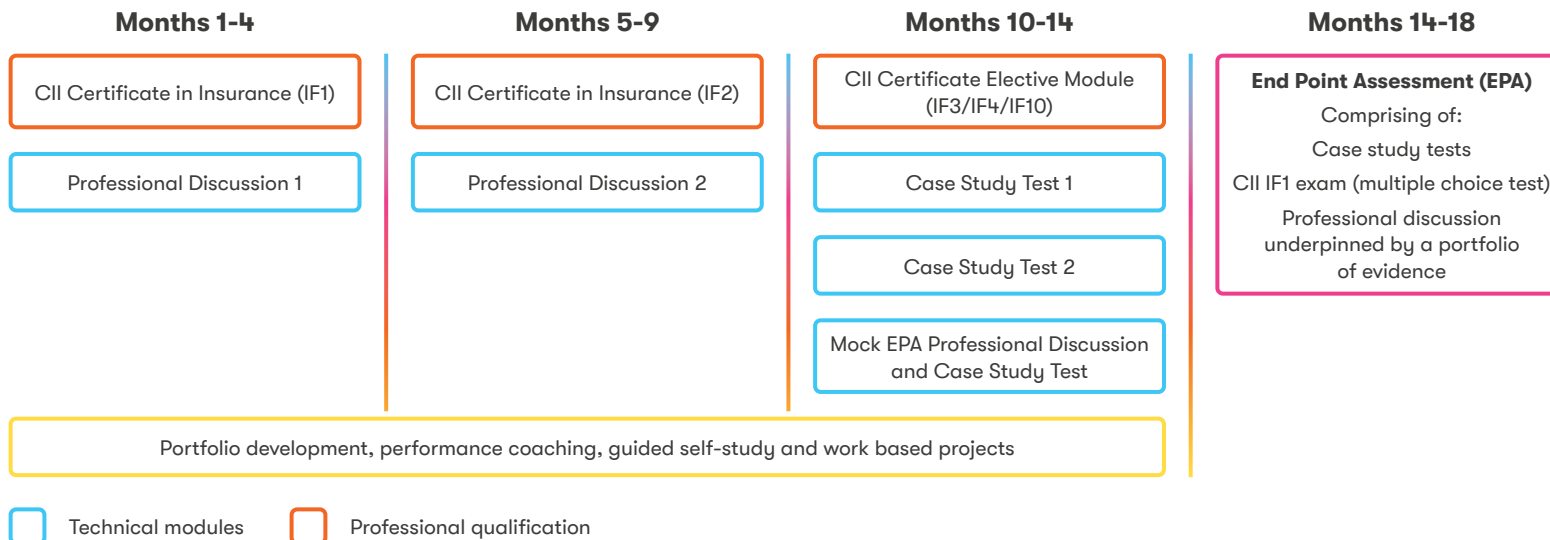

To apply for this programme you must be employed in a relevant role (as detailed below) and, as a minimum requirement, have:

- Five GCSEs with grades 9 to 4 (A* to C), including English and maths, or equivalent, or
- Relevant work experience

Relevant roles

- Junior Insurance Brokers – represent their client's needs to an insurance provider and look to support sales maximisation
- Insurance Underwriting Assistants – assess the risk of insuring something and will provide guidance to others in the team
- Insurance Claims Handlers/Junior Loss Adjusters – are the first point of contact on the customer journey managing the life cycle of a claim to conclusion

18-month programme (inc. EPA)

Apprenticeship standard

Qualification achieved

Structure and commitment

Three modules delivered via online live lectures (two hours per week)

Performance Coaches to push you further, with six-weekly sessions to review your progress, give constructive feedback, support your studies and identify new challenges and opportunities (one hour)

Our Virtual Learning Platform provides you with 24/7 access to your materials, specialist insights and extra study support from wherever you are (two or three hours per week)

Show day-one impact by completing workplace projects with new skills and knowledge that also count towards your portfolio of evidence for the End Point Assessment (EPA)

Additional benefits

- ✓ Our programmes are designed in collaboration with top employers and industry leaders, ensuring that your learning makes an immediate impact
- ✓ Tutors bring their industry experience to your training to ensure you've got the practical skills that enhance your performance from day one
- ✓ Progression pathways to take you from entry level to industry specialist
- ✓ BPP Community: join the online community for exclusive mentoring and networking opportunities, and make social connections with your fellow learners

Level 3 Insurance Practitioner.

CII Certificate LM pathway
