

# Level 6 Senior Insurance Professional.

This programme offers in-depth knowledge across a wide range of job roles including internal facing 'operational management' and externally focused 'client management'. Professionals in these areas require very strong technical competence, with the ability to apply this to a variety of scenarios depending on the size, specialism and business model of the organisation.

To apply for this programme you must be employed in a relevant role, and, as a minimum requirement, have:

- A degree or prior CII qualification
- Five GCSEs with grades 9 to 4 (A\* to C), including English and maths, or equivalent

## 39-month programme (inc. EPA)

  Technical modules      Professional qualification
